**Notes to Editors**

**About Sprue Aegis plc**

**Group overview**

With its head office in Coventry, UK, Sprue is one of Europe's leading home safety products suppliers and manufactures one of the world's smallest carbon monoxide sensors for use in carbon monoxide alarms. Sprue designs and sells smoke and carbon monoxide alarms and other safety related products throughout Europe under the FireAngel, AngelEye, Pace Sensors, First Alert, BRK and Dicon brands. Sprue enjoys a strong European market presence, a leading UK retail footprint, is the supplier of choice to the UK's Fire and Rescue Services and continues to develop its market share in the trade sector in the UK. Sprue has an established network of independent distributors within Continental Europe providing access into these key growth markets through local partners.

**Patented technology**

Sprue has patented technology in Europe, the US and other selected territories and its range of smoke and carbon monoxide alarms is independently certified to the latest European standards.
